FORKLIFT OPERATOR - KALBAR

About the Role
We're seeking to hire multiple forklift drivers to join our team at Kalfresh. This casual position is based at our Kalbar facility, so would ideally suit someone who lives locally.

Reporting to our Production Manager, you will join of the production team and will be a key part of day-to-day production. We are a farming and fresh food business and have peak seasonal supply periods where we move to a six-day-a-week roster.

Key Responsibilities
- Coordinate with Production to ensure the packing lines have the product or packaging required to maintain productivity and efficiency.
- Align with Production and Dispatch teams to ensure packed product meets logistic timelines.
- Ensuring required standards of hygiene are at their highest level within the facility.

About You
This role would suit those who are passionate about fresh produce, continuous improvement, and being a part of a diverse team environment who are energised about what we do and where we are heading.

To Be Successful You Will Have:
- Current driver's license, LF forklift license and full Australian working rights.
- Experience operating a High Reach forklift in a warehouse environment loading and unloading trucks.
- Adaptability to varied work hours if required.
- Ability to demonstrate high level of safety awareness.
- Ability to work under pressure in a high volume, fast paced, cold room environment.
- Capability to perform repetitious tasks efficiently, correctly and systematically.
- Basic familiarity with RF scanning systems is required.
- Excellent communication skills.

Preferred (Not essential)
- A HC Truck License would also be desirable.Up to three dot points

Grow Your Career with Kalfresh
Kalfresh is an innovative, fast-growing Queensland horticultural company, focused on farming, processing and marketing fresh conventional and certified organic vegetables across Australia and select export markets.

We're a diverse, skilled team united by our passion for fresh, healthy nutrient-rich produce. We are creating a better farming future for our people, community, consumer and the environment.

Our head office is situated in Kalbar, one hours' drive from Brisbane in the beautiful Scenic Rim. We farm in four geographically and climatically diverse regions - the Fassifern Valley, Southern Downs, Lockyer Valley and in North Queensland (Bowen & Ayr).

Employer questions

- How many years' experience do you have as a forklift driver?
- How many years' experience operating a RF scanner?
- Do you have a current Australian driver's licence?
